ABOUT

As a recent graduate from Texas Tech University, with a BFA in Graphic Design, I have acquired a solid foundation in design principles, typography, branding, and digital media & marketing. Skilled in adobe creative suites and industry standard software, I am eager to leverage my skills and expertise to contribute to a dynamic and forward-thinking team.

EXPERIENCE

Decorum Home + Design

Internship | Dec. 2023 - Mar. 2024

Lead the developement of Decorum's first edition lookbook showcasing recent renovations that model the company's ideals and mission statement. Roles included, though were not limited to: graphic design, illustration, photography, copywriter and typesetting.

The City of Lubbock

Parks & Recreation Manager | April 2020 - August 2022

Oversaw the numerous pool facilities across Lubbock and communicated expecatations and procedures to staff. Upheld a positive work enviroment and addressed complaints and concerns from patrons and employees. Led and created state required weekly training for all of staff.

Freelance Graphic Designer

Artist | 2019 - Present

Collaborate with clients to develope unique and creative solutions. Integrate my distinct style and deliver comprehensive packages ranging from logo design and branding to albums and single covers for musicians.
